## A Short Guide to the Post-COVID Pulmonary Clinic For Family Doctors

### What is the Post-COVID Pulmonary Clinic?

The post-Covid Pulmonary Outpatient Clinic is intended to assess and follow post-COVID patients (discharged from hospital or referred from community providers) in order to detect and treat post-COVID respiratory complications.

This clinic is **now available to all family doctors in the Edmonton Zone** for any COVID patient discharged from Edmonton Zone hospitals or referred from physicians in the community. This clinic is run out of the Kaye Edmonton Clinic.

### What do I have to do?

#### For family physicians in the community not yet on Connect Care:

Fax your referral to 780-492-4483  
Pulmonary Consultation attention: Drs. Giovanni Ferrara or Ronald Damant  
Reason: Post-COVID follow-up or specialist evaluation

#### For family physicians on Connect Care:

Send your electronic referral through Connect Care, Pulmonology  
Provider: Drs. Giovanni Ferrara or Ronald Damant  
Reason COVID Follow-up or post-COVID specialist evaluation

### I have more questions!
